

Welch Village Ski and Snowboard Area

Code of Conduct

For Groups/Clubs/Teams

Thank you for visiting Welch Village, we are excited to have you experience skiing and snowboarding here! In order to ensure a positive experience for all of our guests during your trip, we need your help in following this list of requests during your visit.

- ❖ Skis, Snowboards, and poles are not allowed in the buildings. All ski & snowboard equipment needs to be left outside. There are plenty of ski/snowboard racks available. We recommend bringing a lock. Welch Village is not responsible for stolen equipment.
- ❖ Please leave all equipment bags, coolers, and containers of any kind on the bus or your vehicle. If you feel compelled to leave your bag in the building, please use our cubby shelves located on the 2nd floor of the main chalet. Welch Village is not responsible for any stolen items during your visit.
- ❖ Unattended items are not allowed on top of, underneath, or around the seating areas of our chalets. These items include (but are not limited to): shoes, boots, clothing, bags, containers, coolers, food, beverages, computers. All unattended food or drink items will be discarded by our staff if they are unattended.
- ❖ Please take care of your trash. Seating areas or facilities (including bathrooms) used by your group that are left with a large mess could result in extra cleaning fees charged to your group.
- ❖ Group leaders and possibly the Goodhue County Sherriff Department will be notified of any vandalism, misuse, or theft of our property and facilities.
- ❖ Please, don't move our tables or chairs.
- ❖ If you have people in your group that are not skiing or riding, please ask them NOT to reserve tables for you while you are skiing or riding.
- ❖ **Welch Village Ski Area is a public setting that you will be sharing with other guests, including families with young children. Please act accordingly in our buildings and anywhere on our property.**
